Design Disclaimer

- The design visuals shared are generated using Synergy MarCom's proprietary AI-powered design software.
- These visuals are indicative in nature and are intended to represent the overall structure, spatial layout, lighting concept, material treatment, and color theme only.

• **Purpose of the Concept Design**

- The presented design is a conceptual representation and should be used solely to:
- Understand the proposed structure and layout flow
- Visualize lighting and ambience intent
- Evaluate color harmony and overall scale
- This is not the final execution-ready design.

• **Customisation After Concept Approval**

- Once the overall structure, layout, and design direction are approved:
- A fully customized design will be developed
- Your logo, brand colors, and creatives will be integrated
- Product visuals and brand messaging will be incorporated
- This ensures the final design aligns seamlessly with your brand identity.

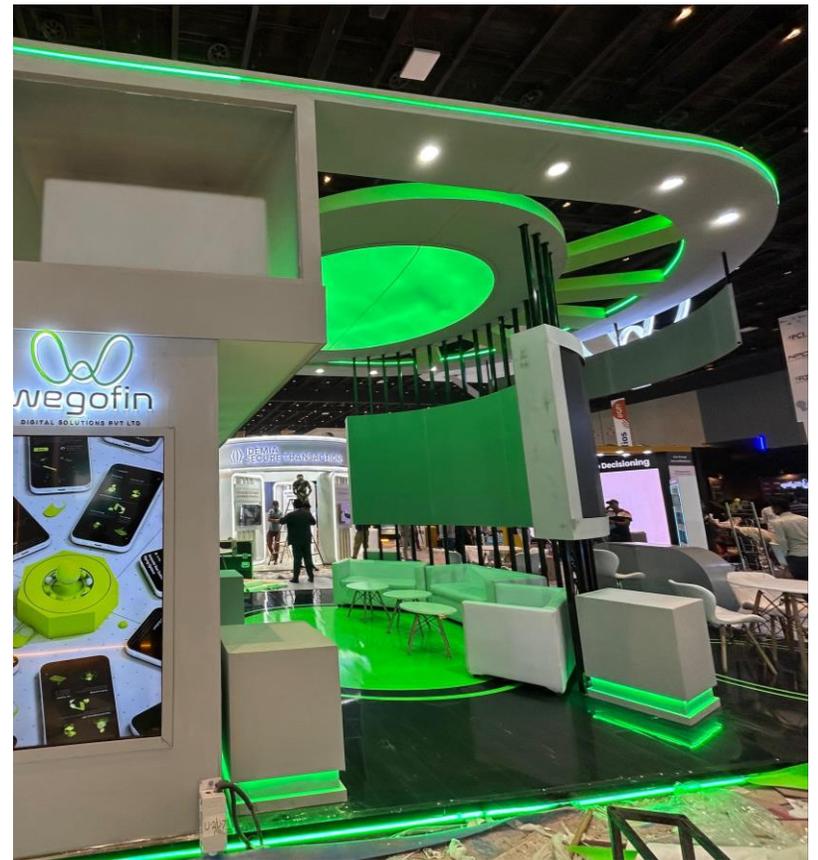

• **Design Ownership & Intellectual Property**

- All concepts, layouts, and AI-generated designs are the intellectual property of Synergy MarCom.
- The designs may not be copied, shared, reproduced, or executed without prior written consent.
